CHAPTER 1

Getting Started

[Log in](#) [Create a Museum](#) [Create Rooms](#) [Create Exhibits](#) [Create a Team \(invite team members\)](#)

1.1 Terminology (short and sweet)

Museum: Highest level. Could also be a building within a museum, or a wing, but it is completely separate. **Room:** A *place* where *exhibits* are displayed **Exhibit:** A display in a room that has a single audio (or video?) file and optionally images. **Image:** For now, a photograph. Automatically resized.

1.2 Terminology (detailed)

Museum A museum has a *team*, as well as rooms and exhibits.

Room Where exhibits are stored.

Team People with accounts on the system. Team members have roles, which define their permissions.

CHAPTER 2

Indices and tables

- `genindex`
- `search`
